

The eco-friendly Go Towel (TM) is made of organically grown bamboo and is ideal for refreshing yourself after exercising. Simply moisten the compressed 1 3/4" x 1/4" disk and it expands into a 14" x 21" wonderfully refreshing towel. It is durable and inexpensive, absorbent, lint-free and streak-free, soft and comfortable to the touch. The towel is not bleached, dyed or scented and is biodegradable.
